(MOSTLY) LOCAL BEERMAKERS DINNER

At Play food and wine we love beer and we love buying local.

We are very excited to invite you to a night celebrating local beers paired with a beer-inspired menu created by Chef Michael Moffatt.

Our friends at Beau's All Natural Brewing Company and the new kid on the block, Kichesippi Beer Company will be here to pour, drink and talk about their very special beers.

The evening will consist of a four-course menu paired with
5 delicious brews.

The beer-soaked fun will be on September 8, beginning at 7:30.
Cost is \$75 per person plus tax and gratuity.
Space is limited so please book right away.
Please email info@playfood.ca for reservations.

We hope you're as excited as we are!
